

Training Room Special!

Now through March 31st
rent our training room for a day and save
\$100.00!

Training Facility

We have a server with 10 Windows XP Pro Workstations as well as a dry erase board, projector and ceiling mounted screen ready to handle any software and training needs. We also offer high speed internet access, wireless access and more. We can customize a training session for you, or you can bring your own teacher! Trainers are welcome to book their own classes in a new classroom environment. From local software packages, client/server applications, to web based training needs, Comdoctor Computer & Conference Center is ready and has the right equipment for any training
